

# CAREL SD Series Replacement Parts

| Part Number                         | Description                                                       | Drawing Reference |
|-------------------------------------|-------------------------------------------------------------------|-------------------|
| <b>Replacement Steam Cylinders:</b> |                                                                   |                   |
| <a href="#">F201MA0000</a>          | 1 phase, (SD/OEM-101,102,103)                                     | 6                 |
| <a href="#">E201MA0000</a>          | 1 phase, (SD/OEM-106)                                             | 6                 |
| <a href="#">F401TA0000</a>          | 3 phase, (SD/OEM-303,305)                                         | 6                 |
| <a href="#">E401TA0000</a>          | 3 phase, (SD/OEM-308,313)                                         | 6                 |
| <a href="#">K400TA0000</a>          | 3 phase, (SD-323,333,342,360(2),384(2),3B3(3))                    | 14                |
| <a href="#">H400TA0000</a>          | 3 phase, (SD-323,333,342,360(2),384(2),3B3(3))                    | 14                |
| <a href="#">KITH400TA0</a>          | Replacemnt electrodes for H400TA                                  | 14                |
| <a href="#">ADAH400TA0</a>          | Adaptor from K400TA to H400TA                                     |                   |
| <a href="#">ADAK400TA0</a>          | Adaptor from H400TA to K400TA                                     |                   |
| <b>Cleanable Steam Cylinders:</b>   |                                                                   |                   |
| F200MA000C                          | Cleanable cylinder for SD/OEM-101,102,103                         | 6                 |
| F400TA000C                          | Cleanable cylinder for SD/OEM-303,305                             | 6                 |
| <a href="#">E401TA000C</a>          | Cleanable cylinder for SD/OEM-308,313                             | 6                 |
| KITF200MAC                          | Replacement electrodes for F201MA000C                             | 6                 |
| KITF400TAC                          | Replacement electrodes for F401TA000C                             | 6                 |
| KITE400TAC                          | Replacement electrodes for E401TA000C                             | 6                 |
| <b>Humidifier Controllers:</b>      |                                                                   |                   |
| <a href="#">CDC3030000</a>          | On/Off humidifier controller                                      |                   |
| <a href="#">CDP3030000</a>          | Proportional humidifier controller                                |                   |
| <a href="#">CDH3030000</a>          | Humidity/Prop. hmidifier controller                               |                   |
| <a href="#">CDD3030000</a>          | CDH controller with dehumidify out.                               |                   |
| <a href="#">CDT3030000</a>          | CDH with temp input for turkish baths                             |                   |
| <a href="#">KITCONNCD0</a>          | Connector kit for CD controllers                                  |                   |
| <b>Replacement Parts:</b>           |                                                                   |                   |
| <a href="#">0203000AXX</a>          | Power contactor, SD101,102,103,303,305                            |                   |
| <a href="#">0203001AXX</a>          | Power contactor, SD106,308,313                                    |                   |
| <a href="#">0203007AXX</a>          | Power contactor, SD323,333,342,360(2),384(2),3B3(3)               |                   |
| <a href="#">0100700AFN</a>          | Relay for SD 323,333,342                                          |                   |
| <a href="#">09C412A017</a>          | Universal torroid transformer (all models)                        |                   |
| <a href="#">AD80000000</a>          | Interface board for multicylinder units, AFS                      |                   |
| 98C277C003                          | Interface board for multicylinder units, very old version         |                   |
| <a href="#">9995643ACA</a>          | Drain Valve Kit (SD101,102,103,303,305,308,313)                   | 9                 |
| <a href="#">KITPS00000</a>          | Drain Pump (SD323,333,342,360(2),384(2),3B3(3))                   | 17                |
| <a href="#">9995642ACA</a>          | Fill Valve Kit (SD101,102,103,303,305), Ser. #<20000              | 8                 |
| <a href="#">KITVC00012</a>          | Fill Valve Kit (SD106,308,313), Ser. #<20000                      | 8                 |
| <a href="#">KITVC00012</a>          | Fill Valve Kit (SD101,102,103,303,305), Ser. #>20000              | 8                 |
| <a href="#">KITVC00025</a>          | Fill Valve Kit (SD106,308,313), Ser. #>20000                      | 8                 |
| <a href="#">KITVC00025</a>          | Fill Valve Kit (SD323,333,342,360(2),384(2),3B3(3)), Ser. #<18000 | 15                |
| <a href="#">KITVC00100</a>          | Fill Valve Kit (SD323,333,342,360(2),384(2),3B3(3)), Ser. #>18000 | 15                |
| <a href="#">9995639ACA</a>          | Boiler filter w/nut, washer & adapter                             | 7                 |

| Part Number                | Description                                                                        | Drawing Reference |
|----------------------------|------------------------------------------------------------------------------------|-------------------|
| <a href="#">1413107AXX</a> | Bottom Drain Pan (SD101,102,103,303,305,308,313)                                   | 10                |
| <a href="#">KITVF00000</a> | Bottom Drain Pan (SD323,333,342,360(2),384(2),3B3(3))                              | 18                |
| <a href="#">1312347AXX</a> | Preformed Pipe (Small)                                                             | 3                 |
| <a href="#">1312348AXX</a> | Preformed Pipe (Large)                                                             | 3                 |
| <a href="#">1312345AXX</a> | Preformed Pipe (MS)                                                                | 2                 |
